

CAFÉ, BAR & RESTAURANT

hello

Opening late in October 2015 going into Winter, could be seen as the worst time to open an establishment like Blackberry Grove, in what is traditionally a seaside town. We have had some fantastic nights - and days, since launching, not least of all our award for 'Outstanding Customer Care' at The Wirral Tourism Awards 2016 and we only hope to keep moving forward and progressing.

You play a massive part in this. As well as our vast array of meat dishes, we have found ourselves particularly popular with vegans, vegetarians and people on a gluten-free diet. Our aim is just to appeal to as many people as possible.

This is a small, family run independent establishment. Financially, we don't expect to be able to compete with the big chain restaurants on the waterfront. We do however, more than compete, when it comes to our food. Myself and our terrific head chef, have tried to create a menu that has something for everyone. Our focus is on making Blackberry Grove a great place, to eat, drink and chill out. We are now stocking a wide range of locally brewed craft beers and we aim to deliver the best in food, cocktails and coffee - as well as smashing entertainment.

We welcome all feedback [good or bad] and if you would prefer not to note them down on our comment cards, please feel free to drop us a line anytime at hello@blackberry-grove.co.uk

We want to know what people like and don't like, what works and what doesn't. The success of this place depends massively on the people who support us.... Please help us to make this a place that New Brighton - and The Wirral, can be proud of....

Gentle reminder to all: we are a bar as well as a restaurant so please feel free to just come, have a few drinks and enjoy our wonderful chilled ambience

COMING SOON: pop bingo, quiz nights, wine tasting, business networking lunches etc. Got an idea? Feel free to drop us a line...
